

Divers Race to Treasure

Prepare this review game by cutting out each of the figures and putting clear contact paper on both sides. Put a piece of flocked contact paper on the back of each (or use a piece of tape or plastic tac on the wall).

Divide the class into two teams. Assign each team a diver. Place both divers on the right side of the flannelboard. Put the treasure picture on the left side of the board. Put the five fish equal distances between them. Ask a review question. The child who stands and gives the correct answer gets to move his team's diver to the first fish. Continue asking questions until one team has reached the treasure chest.
